• Performance numbers represent the total percentage change in share or unit value, with capital gains and dividends reinvested, for the period indicated. Plan charges, if applicable, have not been reflected. The results shown represent past performance and do not represent expected future performance or experience. Past performance does not guarantee future results. Investment return and principal value of an investment will fluctuate so that an investor's units or shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. Please consider the fund's investment objectives, risks, and charges and expenses carefully before investing. The fund prospectus contains this and other important information about the investment company. Prospectuses are available on this website by clicking View Prospectus/Profile. Read the prospectus carefully before investing.
